This directory of volunteer opportunities is the most comprehensive list of volunteer opportunities in churches, government and nonprofit agencies available in Medina County. It describes the volunteer jobs in over 50 agencies and organizations. The information in this directory comes from the listed agencies themselves. United Way of Medina County passes no judgment on the standards of operation of any of these agencies or their volunteer programs. Inclusion in this booklet does not imply endorsement by United Way of Medina County, and exclusion in no way implies disapproval.

This directory gives you all of the basic information you will need:

- A general description of the agency
- A list of typical volunteer jobs at the agency (sometimes there are additional jobs not listed)
- The age you have to be to volunteer at that agency

We hope the *Volunteer Directory* gives you a better idea of how you can be more involved in our community. Whatever your motivation, volunteering has so many personal benefits and you will be glad you decided to volunteer.

You really can make an impact!
