

FEEDING MEDINA COUNTY FOOD DRIVE

Thank you for volunteering to host a food drive for United Way of Medina County to benefit Feeding Medina County. Your donations will provide meals and snacks over the weekend for one of the over 1,200 students that receive a backpack each week.

Over the next four weeks you'll be collecting the food items listed on the Feeding Medina County flyer. It's VERY important that the size/amount recommendations are followed. Although it's tempting to buy larger sizes, remember that children are carrying bags home and the larger sizes are heavier.

Easy Steps to Collect:

1. Distribute boxes to local businesses, churches, or a location of your choice. Attach a food poster to let people know what you're collecting.
2. Hand out food item flyers to friends and family, post on social media, make phone calls, let everyone know about the food drive and collect that food!
3. Make a final collection of food items and bring them to United Way of Medina County on March 15th by 3:00 pm for the final sort. Please plan on staying for at least an hour to help inventory and sort food items.
4. On Monday, March 18th the collected food will be delivered to Feeding Medina County to be included in the Weekenders program food stock. Volunteers are welcome to join us at 9:00 am at United Way to deliver the food!

Thank you for joining us in the effort to make sure no child goes hungry over the weekend!

If you have any questions, please contact Maria Burk at (330) 725-3926 ext. 223 or at mburk@unitedwaymedina.org.
