OUR SUPER HEROES ARE MAKING AN IMPACT

2014 ANNUAL REPORT
UNITED WAY OF MEDINA COUNTY’S MISSION:

We will build a stronger Medina County by mobilizing our communities to improve people’s lives.

To do this we will:

- Energize and inspire people to make a difference
- Craft human care agendas within and across our communities
- Build coalitions around these agendas
- Increase investments in these agendas by expanding and diversifying our own development efforts and supporting those of others
- Ensure that these investments have measurable, recognizable impact
- Reflect the diversity of the communities we serve
TOGETHER WE ARE MAKING AN IMPACT!  
A MESSAGE FROM THE BOARD PRESIDENT AND EXECUTIVE DIRECTOR

This past year has been extremely exciting for United Way of Medina County. We have fully implemented the Community Impact Agenda, focusing on:

• Early Childhood Development - Preparing children for school and providing opportunities to strengthen their literacy experiences

• Youth Engagement - Creating an environment that provides support, enrichment and engagement for young adults to assure positive youth development

• Income Stability - Creating long-term solutions for underemployed and unemployed households.

Through the support, input and involvement of community leaders we are using best practices, research and data to create lasting change in our County.

We are pleased to share with you the work and successes occurring within each impact area. We thank you for your continued support allowing us to mobilize our community, create lasting change, and make a positive impact on the lives of many. You are United Way of Medina County’s Super Heroes.

Together we are Making An Impact!

Matt Marquard
Board President

Seth Kujat
Executive Director
OUR SUPER HEROES ARE MAKING AN IMPACT!

Community Impact was at the core of strategic thinking and planning over the course of the past four years. With thoughtful input from community leaders, volunteers, and stakeholders, United Way of Medina County moved to the Community Impact Agenda. This research and data driven transition focuses on three key areas: Early Childhood Development, Youth Engagement and Income Stability.

Community Impact, a comprehensive approach to developing solutions for change, sets strategic goals, invests in resources and develops projects aimed at addressing the most critical needs of our County’s residents and creates systems for lasting change.

We are proud to share the work that is occurring within each of the Community Impact Areas.
EARLY CHILDHOOD DEVELOPMENT

PREPARING CHILDREN FOR SCHOOL AND PROVIDING OPPORTUNITIES TO STRENGTHEN THEIR LITERACY EXPERIENCES.

The Following programs and services address the needs of our County’s children with the support of United Way.

Over 600 elementary aged children are receiving Weekender Bags during the school year assuring that they and their families will have food for the weekends and more than 200 during the summer months. Children often have access to food during the school week through various in-school programs; on weekends children and their families are often faced with a food deficit. Food insecurity is a prevalent risk to the growth, health, cognitive and behavioral potential of children.

Positive adult role-models inspire children and youth strengthening their social skills and boosting their self-confidence. After-school programs provide tutorial assistance, activities, and games along with a safe environment for children throughout Medina County.

Peer-to-peer mentoring programs provide mentors and mentees with endless benefits ranging from friendship, role-models, leadership skills, connectedness, positive social and behavioral attitudes, and increased self-esteem. Close to 250 elementary and middle aged students are paired with high school students in school districts throughout Medina County.

Early literacy skill development and awareness programs are being provided to families in our County assuring that children will be prepared for school and have increased opportunities for success. Research demonstrates that a child’s ability to read and write begins to develop long before entering school. Infancy through age eight is a critical time in a child’s early literacy development as they develop skills necessary to be successful in school and later in life.

Proud Program Partners: Big Brothers Big Sisters, Feeding Medina County, Medina County District Library, Child Guidance & Family Solutions, Summer Reinforcement Program, the Salvation Army Corps of Medina and Wadsworth, the Medina Community Police Activity League.
YOUTH ENGAGEMENT
CREATING AN ENVIRONMENT THAT PROVIDES SUPPORT, ENRICHMENT AND ENGAGEMENT FOR YOUNG ADULTS TO ASSURE POSITIVE YOUTH DEVELOPMENT.

Along with our program partners United Way of Medina County is addressing the mental and behavioral health needs of our County’s youth, providing mentoring opportunities, and developing opportunities for involvement.

United Way of Medina County’s support is providing mental health professionals to work with four of our County’s school districts. A study commissioned by Living Well Medina County indicated 30% of our County’s youth reported feeling sad or hopeless; 20% reported that they seriously contemplated attempting suicide; and 32% reported being bullied. Mental health professionals are providing one-on-one counseling and group sessions to students at the middle and high school levels. Currently 119 students are being served by these mental health professionals.

Studies show that good mentoring provides positive academic outcomes, prevents risky behaviors, and enhances social and mental development. At the inaugural E4 Youth Summit in February 2014, students indicated a need and desire for increased peer-to-peer and business mentoring opportunities.

Safety awareness programming is being made available to students throughout the County. The Tina Project is a program for middle and high school students that provides an interactive 45 minute age-appropriate educational presentation that focuses on healthy relationships to students in grades 6-12. The goal of the project is to prevent dating violence and reduce the number of teens that could become domestic violence victims.

The Step Strong program is presented in middle and high school health classes, teaching students how to make healthy choices in relation to friendships, dating, sexual activities, and substance abuse. The presentations are interactive and engage students in the learning process.

United Way of Medina County’s signature program E4 Youth Venture is providing civic engagement opportunities to youth throughout Medina County. A generous $20,000 grant (over a two-year time period) from SimplexGrinnell helped to launch the program. Today, over 120 students are working on “ventures” and learning the importance of civic responsibility. Research studies show that youth who are actively...
engaged build self-confidence, learn the importance of teamwork, become problem-solvers, realize they can influence decisions and lead change in their communities.

Students shared at last year’s E4 Youth Summit that they wanted the opportunity to bring the community together and celebrate Medina County’s youth. The outcome of this is “Unity In the Community,” a day-long event celebrating and engaging our County’s youth. Mark your calendars for Friday, June 12.

**Proud Program Partners:** Big Brothers Big Sisters, Rape Crisis Center, Catholic Charities, the Salvation Army of Wadsworth, Solutions Behavioral Health, Alternative Paths.
INCOME STABILITY

The effects of unemployment and underemployment are far reaching for an individual, a family, and a community. In Medina County, almost 11,000 households are making less than $25,000 a year. There are approximately 7,000 residents who are unemployed.

United Way of Medina County is working to help struggling families reach a level of self-sufficiency and break the cycle of poverty. EMC was designed through a collaborative process with local business owners, nonprofit partners and local government programs. It is a comprehensive model that focuses on promoting household stability through sustainable employment.

Participants of EMC move through a process to gain self-sufficiency. Beginning with Service Coordination Sites, participants are screened, short and long-term goals are developed, and necessary services are secured to eliminate barriers to employment.

Lead Support Agencies provide services to stabilize the household and eliminate barriers to employment. Services can include addressing basic needs, transportation, housing, childcare, and financial literacy.

Workforce and skill development are crucial to securing self-sustaining employment. EMC program participants receive necessary skill development to secure and retain a job. Through a partnership with Ohio Means Jobs Medina County, EMC participants will receive necessary skill development to secure and retain a job.

Through job placement, EMC works to connect businesses and individuals to fill jobs and provide financial stability for those who are unemployed and underemployed in our County.

Proud Program Partners: Catholic Charities, Community Action of Wayne/Medina Counties, Lodi Family Center, the Salvation Army of Wadsworth, the Battered Women’s Shelter, Cathy’s House, Project: LEARN; and a partnership with Medina County Economic Development and Ohio Means Jobs – Medina County.
YOUR GIFT IS MAKING AN IMPACT

Income Stability, Employing Medina County - $300,000

Proud Program Partners:
Catholic Charities, Community Action of Wayne/Medina Counties, Lodi Family Center, Community Legal Aid, the Salvation Army of Wadsworth, Battered Women’s Shelter.

Agencies providing ancillary services in this Community Impact Area include:
Project: LEARN of Medina County, Cathy’s House, and Salvation Army Corps of Brunswick and Medina; and a partnership with Ohio Means Jobs-Medina County.

Early Childhood Development - $100,000

Proud Program Partners:
Big Brothers Big Sisters, Feeding Medina County, Medina County District Library, Child Guidance & Family Solutions, Summer Reinforcement Program, the Salvation Army Corps of Medina and Wadsworth, the Medina Community Police Activity League.

Youth Engagement - $250,000

Proud Program Partners:
Big Brothers Big Sisters, Rape Crisis Center, Catholic Charities, the Salvation Army of Wadsworth, Solutions Behavioral Health, Alternative Paths.

Income Stability, Employing Medina County - $300,000

General Programming - $50,000

Other United Way and Agency Support - $100,000

Early Childhood Development: $100,000
Youth Engagement: $250,000
Income Stability: $300,000
General Programming: $50,000
Other United Way and Agency Support: $100,000
The United Way E4 Youth Venture program offers youth the opportunity to combine their skills and passions to address a challenge in their community through an entirely youth-led, youth-created social venture. Youth are supported through Dream It, Do It workshops, mentorship and seed funding to help them launch their ideas from dream to reality.

Since receiving a SimplexGrinnell grant in July 2014, over 120 students ages 12-17 have been introduced to the E4 Youth Venture program and are in various stages of creating their ventures.

Here’s our work in progress:
Brunswick High School launched the first official Youth Venture Team with Professionals of Tomorrow, a business mentoring venture.
Wadsworth High School is working on “Team SuPEERior”, a student mentoring program for incoming freshmen.

Buckeye Summit, a group at Buckeye High School has several ventures in process, two of which are: Creative Clubhouse, an after-school program designed to introduce alternative arts; and Planning for the Future, a college prep and beyond program.

This year’s Junior Leadership of Medina County class is working through E4 Youth Venture, creating social ventures as their class project. Some of their ventures include a mentoring program for 8th graders, a community event offering students college and career information, and addressing mental health issues from the student’s perspective.

Finally, a new after-school club with Medina’s middle schools, Club Youth Venture, began in March 2015 and meets bi-weekly. This is our youngest group and demonstrates the wide range of ages the program can impact.
UNITY IN THE COMMUNITY

Attendees from the E4 Youth Summit shared their desire to bring the community together using events, competitions and activities. United Way is supporting their vision with Unity in the Community. On June 12, students will have the opportunity to engage in many different activities: service projects, volleyball and dodgeball tournaments, art project, dunk tank, inflatables, relay races, photo booth and Duel of the Schools, a friendly battle of the bands. E4 Youth Venture teams will make panel presentations sharing their proposed ventures. Exhibitors will engage our target population while showcasing their organizations. Motivational speaker Christopher Milo will inspire the students with his message of empowerment and hope.

See our website for a complete schedule of activities and registration for the service projects and tournaments. This event is geared toward our high school students, but will be a family friendly event that all are welcome to attend. Sponsorships and volunteer opportunities are also available, please visit: www.UnitedWayMedina.org
Childhood poverty adversely affects student achievement. In Medina County nearly 13 percent of our children are at-risk of not being fully prepared for school. United Way of Medina County holds the largest back-to-school drive in Medina County to address this need. Last year’s Stuff the Bus campaign netted over 40,000 school supplies serving 1,500 students. Thanks to the generosity of our 64 corporate partners, five rally sites and individuals who generously donated school supply items, students were prepared for school, ensuring a successful start to the school year. Walmart hosted our Day of Action, over 70 volunteers joined us to count, sort and distribute school supplies to our rally sites.

Mark your Calendar for this year’s Stuff The Bus drive – July 2015 collection and rally.
DAYS OF ACTION - MAKING AN IMPACT IN OUR COMMUNITY!

ONE BOOK ONE COMMUNITY

United Way of Medina County and the Medina County District Library partnered together for the One Book One Community project. The library system initiated One Book One Community to raise awareness of the importance of reading and to encourage County residents to read. The book *Wonder* was chosen, an endearing and meaningful book about Auggie, a child with a severe facial deformity. The struggles and hurdles that Auggie faced on a daily basis, and his many triumphs, encouraged readers to discuss topics like bullying, self-image, and friendship.

United Way of Medina County set a goal and collected 2,500 copies of the book *Wonder* for every sixth grader in the County – spreading the message of kindness, acceptance and friendship. Thanks to the generosity of 25 local businesses, clubs organizations and many individuals the goal was met!
United Way of Medina County partnered with the Medina County District Library to provide pajamas and books to children and youth through the Snuggle Up and Read program. Residents donated over 140 pairs of pajamas and books at nine sites for this drive. All items were delivered to United Way of Medina County program partners serving children and youth.
United Way’s 2-1-1 service is an easy to remember resource that connects Medina County residents to information on government, health and social services in the community. Residents can access this service for free via phone or online at www.211medina.org.

In 2014, Medina County 2-1-1 information and referral specialists answered more than 2,700 calls.
